
S.S. John W. Brown – Youth Program

The members of Project Liberty Ship invite your youth group to come aboard “The Oldest Operating Liberty Ship” for a different kind of adventure. Only two liberty’s remain operational of the original fleet of more than 2700 liberty ships built during WWII. The Brown is located near Baltimore’s inner harbor making her an excellent jumping off platform for visits to the museums, monuments, parks, and other attractions of the city.

Our Youth Program Features Include:

- ⚓ Overnight visits of any length
- ⚓ An experienced youth program staff aboard at all times
- ⚓ A seasoned staff to provide first class skillcraft training
- ⚓ Lectures by WWII veterans
- ⚓ Guided tours of the ship
- ⚓ Historic video programs and research materials library
- ⚓ Program planning counselors to help plan your trip
- ⚓ Leadership development training for youth and leaders
- ⚓ Service projects for rank advancement or service hours
- ⚓ A well stocked ship’s store

And the list goes on...

We are here to serve youth groups in any way we can. All visits are customized to your needs to provide a truly memorable experience that your group will remember for a long time.

Please contact us for additional information about our program and our overnight rates or to make reservations.
